Hija Folks,-

Here's the letter I was going to try to sneak in yesterday, making one before Sunday! - But, nope, - 'tis Sunday today and I'm just getting it started.

Have a day of rest for a change, today. - Was going out "visiting" but due to several factors - here we are, still here with a legitimate day off! Such a day as this is very rare and I'm sorta sorry it's so muddy out - 'cause other wise - I'd go for a walk. Course - on the other hand, if it weren't muddy & stuff, I wouldn't have had the day off, - so it gets back around to the old fact that I'm glad to be off - walk or no walk! so there!

2!

Just got thru shaving before I started this. - Can't quite make up my mind whether I should grow a mustache or not. - Said I was going to start one when I reached our "old" quota - and not shave it off until my orders came thru to go home - but now I won't do it. - Have had a couple of good ones since leaving the States but each time I get tired of the pains of keeping it trimmed - so have shaved it off! - Wouldn't you like to see me with a real sho nuff one?

Think maybe next week I will be "rest camp" bound! - It's only a guess, but I think it a pretty good one! - If it materializes, it will only be for one week, tho. Won't be the same place I was in before - but think the same Red Cross people & etc. are connected with it. - Al Brenner is there now and he is supposed to come back

3!

with all the details for me. It will be lots of fun tho and I'm going to enjoy it. - Of course, I wouldn't have gotten to go had they kept on sending people home like they were. (I'm talking just like I'm going!) The number of missions, I don't have to sweat out so much because of the number I have. - It's mostly the "time" element, so any trips I can get to go on - you can just bet I'll be Johnny on the spot! Missed out on one today, tho, - almost got to go to Cairo!

Wrote you a V mail last night telling you of the movie I saw. - At our outdoor movie house, of course. - It was Olivia De Havilland in "Government Girl". It was really good and the scenes of D.C. made me pine a bit harder! - Also saw the "Miracle of Morgan's Creek" that Sister had written me about. That, too, likewise, was good! - It's all very unusual, our getting such

4! new pictures, - but don't think I'm
going around asking questions about
"why"!

Have you gotten my other pictures or
negatives I sent home? - Have some
more so guess I might as well send
them on ~~now~~. - I'll go thru 'em + have
a look - tho.

Seems to be getting sunny outside,
so pardon me awhile. - I'll go look -
maybe I'll have me a walk yet!

So for now - be good, write, +
keep 'em crossed! -

Lots of Love,
Frank

P.S. - Got Daddy's + Sister's V mails of
the 11th, 13th + 15th. - Glad to
get them. - also a "card" from Sister. -
Sorry to hear of Mrs. Clarence's death.
